November 7 - Tuesday

Full Day Cherrapunji Sightseeing.

We begin our adventure with a visit to Nohsngthiang, also known as the Seven Sisters Waterfalls. As the name suggests, this natural wonder consists of seven stunning waterfalls cascading down the verdant hills, creating a magnificent sight. The roaring sound of the water, coupled with the lush green surroundings, will leave you in awe of nature's grandeur.

Next, we head to Kynrem Falls, a majestic three-tiered waterfall nestled amidst dense forests. As you approach the falls, you'll be captivated by the sheer force with which the water plummets down the rocks, creating a mesmerizing spectacle. Take a refreshing dip in the crystal-clear pool at the base of the falls and let the cool mist rejuvenate your senses.

Continuing our journey, we arrive at the Wahrew Arch Bridge, also known as the Sohbar Meghalaya Bridge. This architectural marvel stands tall over a deep gorge, offering panoramic views of the surrounding landscape. Walk along the bridge and marvel at the breathtaking vistas that unfold before you, with lush valleys and misty hills stretching as far as the eye can see.

Our final stop for the day is the Nohkalikai Falls viewpoint, a place of sublime beauty. Standing at the edge of the cliff, you'll witness the awe-inspiring sight of Nohkalikai, the tallest plunge waterfall in India. As the water plunges down from a staggering height, it creates a white veil of mist that fills the air, adding an ethereal touch to the surroundings. The vibrant hues of the water against the backdrop of the dense rainforest will leave an indelible mark on your memory.

Nongriat Trek to Double Decker Bridge(Optional)

Embark on an exhilarating trek through the picturesque village of Nongriat, as we make our way towards the iconic Double Decker Bridge. This trek offers a perfect blend of adventure, natural beauty, and cultural exploration.

As we begin our journey, we traverse through lush green forests and steep rocky paths, accompanied by the soothing sounds of chirping birds and gushing waterfalls. The trail takes us across charming suspension bridges, adding an element of thrill to our adventure.

After a moderate hike, we reach the first Single Decker Bridge. The Trek gets a bit harder from here. Traverse through the dense rainforest along the clear shallow stream to the awe-inspiring Double Decker Bridge. This architectural marvel, made entirely of living roots, is a testament to the ingenuity of the local Khasi people. The bridge consists of two levels, with one bridge stacked on top of the other, creating a unique and mesmerizing sight.

Take a moment to soak in the breathtaking surroundings, with cascading waterfalls, verdant valleys, and the harmonious symphony of nature. You can also enjoy a refreshing swim in the crystal-clear pools beneath the bridge, surrounded by the tranquility of the rainforest.
